1. Introduction

The International School of London is committed to equality and inclusion.

We recognise the value of diverse environments and strive to promote a culture in which all pupils, staff and members of the school community are welcomed and supported to fulfil their potential, irrespective of their background or personal characteristics.

We are committed to an ethos and culture of inclusion in our school for all pupils, irrespective of race, religion/belief, political views, disability, SEND status, gender, gender identity (e.g. transgender) and/or sexual orientation (LGBTQ+).

The International School of London an inclusive school where we focus on the well-being and progress of all our children and young people and where all members of our school community are of equal worth.

We recognise, respect and value difference and understand that diversity is a strength that enriches our lives. We take account of differences and strive to remove any barriers to learning and development.

We oppose all forms of unlawful and unfair discrimination and bullying and harassment. As a school community, we recognise the need to champion equality and ensure inclusion for all pupils in the full life of our school; where appropriate making necessary adjustments to enable everyone's participation.

The International School of London believes that education (both formal and informal learning) is fundamental to equality of opportunity. It prepares young people for life and is a powerful influence on access to and advancement in employment. All young people should be able to learn and develop fully in a truly diverse and inclusive environment.

All our policies and practices are fully inclusive and supportive of a welcoming culture for all communities; this is evidenced in our practices and procedures.

2. Equality and Inclusion – School Policies

Through this policy, and the wider practices within ISL, we seek to empower our young people to embrace diversity and challenge discrimination. We equip our leadership and staff to fulfil their legal responsibilities, ensure that our school's safeguarding procedures are comprehensive and inclusive and enable robust monitoring of our progress as a school.

Inclusion underpins all our school policies.

As part of our overall school policy development there are a number of policies that we must have in place and regularly review to ensure our school is addressing its statutory responsibilities. These include Anti-bullying Policy, Safeguarding Policy, Behaviour Policy, Admissions Policy. Any arising incident will be dealt with by the appropriate policy. There should never be any grey areas when it comes to young people's safety and well-being.

It is our belief that equality and inclusion is central to **all** of our policies and that we maintain an ethos that welcomes diversity and promotes equal opportunities for all, ensuring all our pupils and their families feel valued and supported and making sure that equality and inclusion is evident in everyday school life.

5. Complaints Procedures

The school has a robust and transparent Complaints procedure. If a complaint is made regarding equality or inclusion, the Complaints process will be fairly and systematically applied. Access to the Complaints procedure can be found on the school's website.

At ISL London, Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.
